February 6, 1981.

Hi! / Bonjour!

We have had a number of staff enquiring about K.K. 81. Because I've only started back downtown things have been held up so included please find one Returnee Staff application (or a new Staff Application for former C.I.T.). If you are interested in joining us for another summer, send it back at your earliest convenience because we are going to start hiring personnel very shortly.

Now for some Ka-News, Nancy and I are getting married February 28, for those of you who have not heard.

Staff salaries have gone up a \$100-\$200 in all areas.

Julien worked on the Boating waterfront area, it looks better and has a fireplace, also the Totem pole still stands. Dave Benet has now finished school, Jim Pelton is becoming a Philosophical Painter, John Kennedy also has attached a paint brush to his trombone, Doug Peets has sold over \$1,000 worth of advertising in the K.K. Brochure, the money will be used on equipment. Sue Gottman has gone to Israel on a study Program, Larry Lacey is just loving teaching, Larry Cobb is back out west, hope to see him in March.

On of these days I'm going to try X-Country skiing.

Hope to hear from you soon, and happy Valentines.

Dave.
Dave.
